Relevant work experience

Digital Communications Manager / Social Media Manager & Webmaster | Hike1CM — Self-Employed Digital Media Brand | St. Petersburg, FL **02/2025 - Present**
Hours per week: 40

Managed command-level digital communications reaching more than 240,000 followers while maintaining consistent messaging, organizational standards, and audience engagement.

Served as social media manager and webmaster, coordinating digital coverage for official events, senior-leader engagements, public initiatives, and time-sensitive command activities.

Managed content calendars, production schedules, reviews, approvals, publishing workflows, and competing communication requirements.

Produced graphics, photography, video, captions, web content, event materials, and public information products aligned with command priorities.

Coordinated with senior leaders, content managers, event personnel, and external stakeholders to align messaging, schedules, responsibilities, and release requirements.

Researched platform trends, communication tools, and audience data to improve outreach and recommend adjustments to communication strategies.

Reviewed web, social media, and multimedia products for accuracy, legal and policy compliance, operational security, accessibility, and consistency with command guidance.

Account Manager / Technical Sourcing Specialist | Direct Components, Inc | Tampa, FL **09/2023 - 01/2025**
Hours per week: 40

Managed defense, aerospace, medical, and commercial accounts while coordinating communication among customers, suppliers, executives, quality teams, laboratories, procurement personnel, and logistics organizations.

Prepared market analyses, status reports, briefing materials, and correspondence outlining findings, risks, recommendations, and next steps.

Served as primary liaison across domestic and international stakeholders, translating technical and operational information into clear, audience-appropriate updates.

Coordinated customer visits, executive engagements, technical meetings, inspections, schedules, materials, approvals, and follow-up actions.

Researched technical requirements, market conditions, compliance standards, and operational risks to support recommendations and informed decision-making.

Managed project schedules, priorities, deliverables, supplier performance, and competing requirements across cross-functional teams.

Identified communication, documentation, scheduling, and delivery issues and coordinated timely corrective actions.

Conducted customer site visits to assess needs, present information, resolve concerns, and strengthen stakeholder relationships.

Maintained AS9120, ISO 9001, counterfeit-prevention, traceability, and export-control requirements.

Loan Officer | PennyMac Financial Services | Tampa, FL **08/2020 - 01/2022**
Hours per week: 40

Managed more than 500 regulated mortgage cases annually, coordinating schedules, documentation, approvals, and stakeholder requirements from application through closing.

Coordinated transaction timelines and resolved issues among clients, underwriters, processors, appraisers, title companies, closing agents, and leadership.

Prepared case summaries, management updates, formal correspondence, and client communications outlining requirements, findings, deadlines, and next steps.

Explained complex lending regulations, eligibility determinations, and procedural requirements clearly to clients and internal stakeholders.

Maintained detailed electronic records tracking communications, approvals, deadlines, documentation, and outstanding actions.

Analyzed financial records and supporting documentation to identify discrepancies, assess risk, resolve problems, and support accurate determinations.

Managed competing deadlines and time-sensitive issues while escalating higher-risk matters when necessary.

Protected sensitive financial information and ensured compliance with TILA, RESPA, CFPB requirements, Dodd-Frank, the SAFE Act, and organizational procedures.

Case Specialist | Kopp Law P.A. | Saint Petersburg, FL **01/2019 - 01/2020**
Hours per week: 40

Managed approximately 200 cases from intake through resolution while maintaining accurate records, schedules, documentation, and critical filing deadlines.

Reviewed financial and legal documentation, identified discrepancies, resolved routine case issues, and coordinated corrective actions with attorneys and internal personnel.

Prepared case summaries, documentation requests, formal correspondence, and client communications outlining requirements, findings, deadlines, and next steps.

Served as liaison among clients, attorneys, trustees, creditors, and internal staff to coordinate information, resolve issues, and maintain case progress.

Managed competing case priorities and time-sensitive requirements while tracking communications, outstanding documentation, approvals, and follow-up actions.

Protected sensitive financial and legal information and translated complex requirements into clear, accurate guidance for clients.

Community Leadership Fellow | The Mission Continues / Heart of Los Angeles | Los Angeles, CA

01/2017 - 01/2018

Hours per week: 40

Completed a community leadership fellowship supporting nonprofit programs, public outreach, neighborhood revitalization, and veteran-led service initiatives.

Planned and coordinated community events, service projects, and public-engagement activities involving nonprofit leaders, volunteers, civic organizations, and external partners.

Managed event schedules, volunteer assignments, site logistics, outreach communications, materials, resource requirements, and on-site execution.

Served as liaison among The Mission Continues, Heart of Los Angeles, volunteers, civic organizations, and community partners to align responsibilities, maintain stakeholder relationships, and resolve coordination issues.

Addressed scheduling conflicts, logistical obstacles, volunteer needs, and other time-sensitive issues to support successful execution of community events and service projects.

Sergeant (E-5) / Collateral-Duty Public Affairs Chief | U.S. Marine Corps Forces, Pacific (MARFORPAC) | MCBH Kaneohe Bay, HI

01/2012 - 01/2016

Hours per week: 40

Served as a Public Affairs NCO and collateral-duty Public Affairs Chief at MARFORPAC, supporting senior leaders, command priorities, strategic communications, media relations, community engagement, and public information programs.

Planned and executed communication strategies for senior-leader engagements, official events, public initiatives, tours, and command activities involving military, government, international, media, and civic stakeholders.

Developed strategic communication plans, command messages, talking points, executive briefings, official correspondence, media materials, and public information products.

Briefed officers and senior enlisted leaders on communication priorities, emerging issues, audience considerations, media activity, and recommended courses of action.

Advised senior leaders and stakeholders on public affairs strategy, command messaging, protocol considerations, operational security, and appropriate release of information.

Coordinated public affairs activities with military commands, government officials, media representatives, international partners, civic organizations, and community stakeholders.

Responded to media and public inquiries, researched requested information, coordinated internal reviews and approvals, and prepared accurate, timely responses.

Managed competing communication requirements, schedules, approvals, and special projects while resolving issues under time-sensitive conditions.

Supervised and trained Marines, assigned communication responsibilities, evaluated performance, and maintained accountability for personnel, equipment, and mission requirements.

Reviewed briefing materials, correspondence, and public information products for accuracy, legal and policy compliance, operational security, and consistency with command guidance.
