(727) 512-7196 | aaplanzo@gmail.com | Saint Petersburg, FL

Summary

Built and manage social media audiences totaling **240,000+** followers across **Instagram**, **YouTube**, and **Facebook** through audience-focused content, platform strategy, and performance analysis.

Experience

Direct Components, Inc. | Tampa, FL **Account Manager | 08/2023 - 03/2025**

- Translated technical requirements, market conditions, pricing, and supply constraints into clear recommendations for clients and internal teams.
- Managed approximately \$5 million in annual account revenue with accurate communication, documentation, and follow-through.
- Served as liaison among clients, executives, internal teams, and suppliers, aligning expectations and providing timely updates.
- Researched market conditions, product availability, and sourcing risks to support informed decisions.
- Coordinated domestic and international client visits, including schedules, logistics, meetings, and supporting materials.

PennyMac Financial Services | Tampa, FL **Customer Account Manager | 08/2021 - 05/2023**

- Managed 45–50 active customer accounts monthly, providing clear guidance and consistent communication from initial consultation through closing.
- Translated complex loan programs, rates, fees, documentation, and regulatory requirements into simple, customer-friendly explanations.
- Coordinated with underwriting, processing, appraisal, title, and closing teams to resolve issues, maintain timelines, and keep stakeholders informed.
- Maintained accurate records, de-escalated concerns, and adjusted financing strategies when original options were no longer viable.

U.S. Marine Corps **Public Affairs NCO (E-5) | 01/2012 - 01/2016**

- Led public affairs and communications efforts supporting Marine Forces Pacific, translating leadership priorities into clear messaging for military, government, community, and public audiences.
- Developed and coordinated content for high-visibility events, outreach initiatives, ceremonies, and VIP engagements, ensuring accuracy, consistency, and alignment across stakeholders.
- Partnered with senior leaders and cross-functional teams to gather information, refine messaging, and deliver timely communications in high-pressure environments.
- Supervised and mentored 4–8 Marines, delegated assignments, reviewed work for quality, and ensured deadlines and communication standards were met.
